

2024 MED-IQ COURSES FOR KAMMCO MEMBERS

KAMMCO's partnership with Med-IQ provides our members a convenient, online, specialty-specific curriculum based on case studies that represent actual redacted medical professional liability claims.

Risk Management Credit (2%)

Eligible members have until **September 30, 2024**, to take at least one of the courses below to earn a 2% risk management premium credit toward their **January 1, 2025** policy renewal.

Continuing Education Credits

Continuing education credits (CME and CNE) are available for completing any course at no cost to members. KAMMCO covers the fees for credits as a benefit to our provider members.

Classroom 1 | Surgical Specialties/APPs

- Challenges in Chronic Pain Management 
- Closing the Loop – Communication
- Disclosure & Apology
- Documentation: Key Considerations
- Informed Consent
