

Exclusive KAMMCO Member Benefit 2025 Med-IQ Course List

KAMMCO partners with Med-IQ to provide our members with convenient, specialty-specific, online education. Courses are based on real-life case studies representing actual redacted medical professional liability claims.

Classroom 1 | **Surgical Specialties/APPs**

- Risk and Safety Issues
- Patient-Centered Pain Assessment 
- Strategies for Preventing and Managing Dismissals
- Enhancing the Accuracy and Integrity of EHR Documentation
- Enhancing Communication to Optimize Care Coordination
- Health Equity: Confronting Bias in the Treatment of Non-Native Speakers of English

Classroom 2 | **Non-Surgical Specialties/APPs**

- Risk and Safety Issues
- Disparities in the Treatment of Opioid Use Disorder 
- The Risk We Fail to See
- Enhancing Communication to Optimize Care Coordination
- Strategies for Preventing and Managing Dismissals
- Health Equity: Confronting Bias in the Treatment of Non-Native Speakers of English

Classroom 3 | **Emergency MD/APPs**

- Risk and Safety Issues
- Safe Passage
- The Risk We Fail to See
- Patient-Centered Pain Assessment 
- Exploring the Risk: Supervising Physicians and Medical Residents
- Enhancing Communication to Optimize Care Coordination

Risk Management 2% Policy Credit

Eligible KAMMCO members who complete at least one of these courses, by **September 30, 2025**, will earn a **2% “risk management” policy credit** for their 2026 policy renewal.

No-Cost Continuing Education Credits

KAMMCO members earn **free CME or CNE credits** by completing any of the Med-IQ courses listed here. KAMMCO covers the course and accreditation fees as a benefit to our members.

Classroom 4 | **Nursing**

- Young Minds Matter: Addressing Pediatric Mental Health
- The Risk We Fail to See
- Health Equity: Confronting Bias in the Treatment of Non-Native Speakers of English
- Safe Passage
- Enhancing Communication to Optimize Care Coordination
- Enhancing the Accuracy and Integrity of EHR Documentation

Classroom 5 | **Long-Term Care and Non-MDs**

- Avoiding Misconduct Allegations: Chaperone, Communication, and Documentation
- Patient-Centered Pain Assessment 
- Enhancing Communication to Optimize Care Coordination
- Enhancing the Accuracy and Integrity of EHR Documentation
- The Who, Why, and What of Workplace Violence
- Weighing the Evidence and Impact of Obesity Bias

 **Courses with this symbol should meet the Kansas State Board of Healing Arts “Category III” continuing education requirement.**
